

From the Mountains to the Sea with “Peak to Beach Packages”

Two Romantic Resorts, Two Luxury Packages

Ladera Resort

Cap Maison

March 21, 2013. Saint Lucia, West Indies – **Peak to Beach** is the ultimate romantic vacation on Saint Lucia, a getaway that marries the island’s two iconic luxury hotels, [Ladera](#) and [Cap Maison](#). With two packages to choose from, **Peak to Beach** links these legendary hotels at opposite ends of this tropical island paradise.

The formula for **Peak to Beach** is simple: check-in to [Ladera](#), the Saint Lucian eco-luxe resort situated on a rain forest ridge 1,100 feet above the Caribbean Sea and the only resort on the island overlooking the Pitons, a UNESCO World Heritage Site. Over two decades ago, Ladera pioneered the concept of the open-air, three-walled guest suite that remains its signature design. Then transfer by private boat along the spectacular mountainous coast of Saint Lucia to [Cap Maison](#), set on a stunning four-acre, cliff-top parcel of land overlooking a sandy beach just minutes north of Rodney Bay. Designed in the Spanish Caribbean style, Cap Maison features 50 artfully appointed suites and guest rooms.

Aimed at romantics of every age, **Peak to Beach** offers the best of both worlds with two unique six-night packages. Better yet, both summer and fall offer a nearly 15 % savings over winter rates. Thanks to new United Airlines nonstop service from Newark that starts in June, getting to Saint Lucia will be easier than ever.
